First Book of Enoch:

1:1 without the Book of Enoch, the stories in the Book of Genesis cannot be completed in the Bible we have today. The First Book of Enoch is from the 3rd to 4th century B.C.E. The chapters in the Books of Enoch could be out of order.

1:2 the mistake made in the Book of Enoch is that the author mistook the Angels for the Tribe of Gods.

1:5 the First Book of Enoch starts with a prophecy that the Tribe of Gods called the Watchers will fall. The Watchers are called “Grigori”, the Watchers are not referred to as watchmen or guardians. The Aramaic word “Grigori” means the Watchers. The Aramaic word “ir” means watchmen, watcher, and guardian.

1:9 this is a prophecy that tens of thousands will come to destroy those who corrupt religious centers. This prophecy could be Angels.

The list of Angels are Rameel, Kokabiel, Tamiel, Ramiel, Danel Ezeqeel, Asael, Baratel, Ananel, Zaqiel, Samsapeel, Satarel, Turel, Jomjael, and Azarel. The Angel Rameel and the Angel Ramiel are not the same Angels. The Angel Danel’s name is not Daniel. The Angels in the Book of Enoch do not have different names such as the Angel Kokabiel. The only Angel with two names is Azarel who is also referred to as Sariel.

7:2 this is a false verse that the giants were 300 feet tall.

7:3-6 once all the giants had gotten all the knowledge from mankind, the giants turned on mankind destroying what the giants could. The giants were called Amaliek, which means giants in Arabic. The giants were thought to have been descended from Cain.

8:1 in Enoch 8, the chapter does not say the list of Angels. The Angel Azazel teaches knowledge to mankind. The Angel Azazel also watches over warfare on the world. The Angel Azazel taught man how to build swords, knives, and armor for warfare in order to fight the giants. Azazel and revealed to them the metals of the earth and how to work with them. Azazel also taught man how to make bracelets, ornaments, and how to use antimony for makeup. Antimony is known as Kohl which is Arabian. Azazel is an Angel because his name ends with el.
